## Our Approach to Teaching

---

 Innovation

Explore teaching ideas that are new to you, new to a few, new to many, or new to all.

## Diversity

Sustain inclusive learning environments where students feel a sense of belongingness and can thrive.

## Evidence-Based Teaching

Integrate teaching strategies guided by the research on how people learn.

## Assessment & Evaluation

Approach teaching as active scholarly inquiry.

 Technology

Leverage technology to engage students in community and deepen learning.
