<b>Subject:</b>	Citi Warren NJ REXX Class

Hello, Dave,

I was the one rushing out of your class last Friday to catch a plan... and want to apologize for having to do that.

I also just wanted to let you know I thought it was an enjoyable and instructive class. I've been coding REXX for a while, but this was the first formal training I've had. It was very worthwhile. I just hope I get time to get back to it while it's still fresh in my mind.

Hope your upcoming Detroit trip goes well. I'm a bit outside of Detroit but if something comes up where you need a hand, feel free to give a call.

Regards,

Darel
