Dear David Shapiro:

You are receiving this notification because one or more companies have registered to receive alerts on recent changes in your business profile.

Contact us immediately by calling 1-877-588-4530 to learn more about the information in your business credit profile.

Managing your business credit has never been more important. Our new DNBi Self Monitor service now provides a customizable and comprehensive way to check your D&B listing and credit profile. This web-based solution lets you proactively monitor your business profile and promptly address any inaccuracies that might prevent banks and vendors from offering you credit.

With DNBi Self Monitor you will receive:

- *24/7 online access that allows you to manage your business credit on your schedule
- *Inquiry Alerts that notifies you when an inquiry is made on your company
- *Ability to add credit references to your file to enhance your company's D&B credit scores and ratings
- *Real time information that other companies use to make credit decisions on your business including payment history, credit scores and more

Please contact D&B today to review your credit profile and to learn more about DNBi Self Monitor. You can reach a D&B credit specialist by calling 1-877-588-4530, Monday - Friday, 8 a.m. - 6 p.m.
